## Personal Support Training Zion's Hill Church, LAUNCESTON APRIL 14–15, 2016

TCC's Emergencies Ministry seeks to provide compassionate care in times of crisis. We provide emotional and spiritual care, personal support, and psychological first aid, and contribute to outreach in the event of a disaster or emergency. As part of the Tasmanian Social Recovery Plan, through the activation of a regional social recovery committee, the TCC is the primary agency whose sole purpose is to deliver pastoral care in times of crisis. We hope to continue building on our network by training and accrediting volunteers who can provide Pastoral & Spiritual care in disaster settings and the emergency context. This course is Initial Training and Refresher Training combined.
