

Muslim Prayer for Protection from Harm

O Allah, I seek Your Protection from:

Straying, or be led astray;

Slipping, or being made to slip

Oppressing, or being oppressed

Acting ignorantly, or being treated ignorantly

O Allah: I seek Your Protection from: The collapse of buildings

Falling to death

(The pains of) old age; Grief;

Drowning;

and Fires

O Allah: I seek Your Protection from: Knowledge of no benefit;

A heart that does not soften; Insatiable carnality;

Hunger, for it is a wretched bedmate; Betrayal, for it is a terrible confidante; Lethargy;

Miserliness;

Cowardice;

And the Trials of life and death
